

# King's Rabbitry For Sale Policy

## Sale Policies

\*Available rabbits are picked out through pictures or unless other arrangements are made.

When you are notified that your rabbit is old enough to go home with you, it **MUST** be picked up within 7 days, unless other arrangements are made. However, if you are not able to pick up your rabbit at the time it is ready to leave our care, your rabbit will be sold to someone else. Your rabbit must be paid fully in order for myself to allow the rabbit to come home with you. I **DO NOT** ship our rabbits! I reserve the right to terminate any sale at any time. No refunds!! All rabbits will be sold with a pedigree and a bag of food to start with! I can deliver to any shows that I am attending. I will **NOT** deliver directly to the buyer's house!

Buyer is responsible for transport!

\* You must put down a 50% **NON-REFUNDABLE** cash deposit in order for us to hold your rabbit. No rabbits will be held without a deposit unless other arrangements have been agreed upon.

\*Cash only is accepted on pick up.

\* All rabbits are guaranteed healthy at time of sale.

\* We do not guarantee the [health](#) of the rabbit after it leaves our care. There is too much that can happen to the rabbit after it leaves our care.... that we have no control over.

\* Mistakes can be made with gender. For those who look like "does" could end up as bucks and vice versa. As a buyer you must understand this as well.

\*I will not take back any rabbits unless there are certain circumstances, as a buyer you are responsible to rehome the rabbit if you no longer can care for it.

\* If you buy from us, you are agreeing to this sales [policy](#), whether you have read it or not.

Brood quality is 30 and up.

Pet quality is 25 and up.

Show quality is 35 and up.

\*If you are interested in buying three or more rabbits purchased from me, there will be a discount depending on the quality of the rabbit.
